Correspondence:

Committee reports:

Pat McCoy presented needs for future insurance policies: A written policy of maintenance that is performed at the range, so we have a policy that we can present when asked. What kind and how often the range is swept and mopped. And using the dust mop to keep lead contamination down. How is the ventilations system at the indoor range. An inventory of equipment at the range, as well as firearms.

Ted Frazer Said the Scheutzen is under way and several members are participating. Notice about the event will be placed in the paper and sent out on Facebook.

Old business:

Check with Camas Teague on the status of a sign for the range.

Discussed new shooting benches for the firing line on the long-range portion. Tabled until warmer weather. Measurements will be taken and research done as to best method.

The mini-Quigley was discussed and will be revisited in March.

NEW BUSINESS:

In January elections for board members will take place.

A nominee for vice president was taken, Travis Kathan.

Range manager, TJ Paulsen stated he is willing to fill another term.

Board member Tim Allen stated he is willing to fill another term.

Board member Ted Frazer stated he is willing to fill another term.

CLOSING COMMENTS:

Jess Secrest, suggest we purchase sound mitigation material to be placed on the firing line to help with hearing protection. He will investigate cost and report at next meeting.

Pat McCoy will check into grants for the FWP.

Pat McCoy stated its legislative time, he will stay updated on issue, and forward them to the secretary to be emailed out to the body of the association. Also discussed upgrading the website to show a schedule of the upcoming years events, to place the bylaws on the website, and put a list of the officers on the website.

Meeting adjourned at 19:45pm.
