OPENING REMARKS

The number of members at this time is 31. (14 Family memberships, and 17 individual memberships.)

Minutes from December 17th 2024, reviewed prior to meeting and accepted

The treasurer report was reviewed and accepted.

Eric Campbell stated he would get Dan Raders set of keys to be given to the new Vice President.

Eric Campbell, and Travis Kathan will get the financial records for the year 2024 and review them.

Correspondence:

An email from Travis Stidham we received with info for the FWP web site regarding grant applications.

An email from Steve Hicks we received regarding Ear plugs, he mistakenly received 10 boxes, wondering if were interested in purchasing them.

Ted Frazer sent an email regarding access to youth 22.s and being able to use them. It was noted that as long as a board member was there the rifles could be used, and they could not leave the facility.

Committee reports:

Pat McCoy presented needs for future insurance policies: A written policy of maintenance that is performed at the range, so we have a policy that we can present when asked. What kind and how often the range is swept and mopped. And using the dust mop to keep lead contamination down. How is the ventilations system at the indoor range. An inventory of equipment at the range, as well as firearms.

Ted Frazer Said the Scheutzen is under way and several members are participating. Notice about the event will be placed in the paper and sent out on Facebook.

Old business:

Camas Teague will get a proposed cost and drawing of the sign he would make for the range. It may take a little time as he is just getting his business up and running, and has been very busy with all the new work.

Discussed new shooting benches for the firing line on the long-range portion. Tabled until warmer weather. Measurements will be taken and research done as to best method.

The mini-Quigley was discussed and will be revisited in March.

NEW BUSINESS:

Nominations for board officials was closed.

Elections for board members were taken.

Travis Kathan has accepted the position of Vice President.

Range manager, TJ Paulsen.

Board member Tim Allen.

Board member Ted Frazer.

Jess Secrest presented a proposal for a grant from FWP requesting funds to help with a sound reduction project to be used on the long-range firing line. A resolution was approved to apply for the grant.

CLOSING COMMENTS: Propane has been ordered

Meeting adjourned at 20:00pm.
